

# TOWN OF WAYNETOWN

---

**APRIL 16, 2019  
IS THE LAST DAY THAT  
THE LEAF VACUUM WILL  
BE USED UNTIL FALL  
BIODEGRADABLE  
LEAF BAGS WILL BE  
AVAILABLE AT TOWN HALL**

\*\*\*\*\*

Chipping takes place around the 5<sup>th</sup> and 20<sup>th</sup> of each month, depending on how the calendar falls. Chipping is for small limbs and storm damage. If you hire a person or company to trim your trees OR to cut a tree down the Town will not chip it. Rose bush trimmings create a safety hazard for Employees, so please do not put them out with items to be chipped.

**Please do not pile anything on your water meter.**
